

Increasing Bio Diesel Use in Portland

Portland Traffic & Transportation

Christina Davies Waldron

December 1, 2005

Why Do We Care?

- ◆ Fossil fuels are unsustainable
- ◆ Climate change is real
- ◆ Energy security
- ◆ National security
- ◆ Local economy

Status Today

- ◆ Made from:
 - Soybeans and used vegetable oil
- ◆ Supply-demand balance:
 - Need more production facilities
- ◆ Local availability:
 - Few retail outlets in Portland

Recommendations

- ◆ Increase Supply
 - Encourage and facilitate new production
 - Coordinate private and public entities
 - Incentives
- ◆ Stimulate Demand
 - Analyze target markets & educate
 - Laws
