

Extending the Pedestrian Environment

The 2nd Ave Crossing

- Wide
- Fast
- Uncontrolled for 2 blocks
- Bend in road
- High volume ped traffic
- Bars
- Tourists

Ankeny Alley

- Narrow
- High ped traffic
- Shops
- Restaurants/Bars
- European
- Tourists
- 5 parking spaces

Ankeny Plaza

- The link between the river and downtown
- Carry pedestrian environment into city
- No pedestrian crashes *yet*

Curb Extension

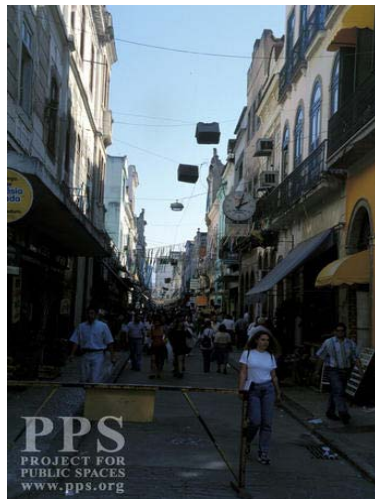

- Shorten crossing distance
- Create line of sight
- Narrows outside lane
- Creates room for bike rack

Raised Crossing

- Elevates pedestrians
- Creates physical barrier
- Slows traffic
- Textured to match cobblestone in alley

Pedestrian Street

- Car-free
- ADA compliant
- Business friendly
- Unique
- Safe
- Innovative

The Finishing Touch
